Features

- Color Rich LED Flame**
 A blend of technology, artistry, and craftsmanship - Dimplex patented LED flame technology is rich in both color and realism.
- Supplemental Heat**
 Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
- Safe**
 Front glass stays cool, making it safe to touch.
- Color Themes**
 Choose from 7 brilliant color themes or cycle through a range of colors using the prism mode, freezing on the hue of your choice.
- Sparkling Ember Bed**
 Diamond-like acrylic ice ember bed sparkles with the reflected light.
- Floating LED Display**
 View temperature settings and specialty functions such as sleep timer and color themes.
- Multi-function Remote**
 Control 100% of the fireplace features from the comfort of your chair.
- Year-round Enjoyment**
 Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- Support Feet**
 Two easy to use support feet are included offering another way to display your fireplace.
- Economical**
 Economical to operate. Costing only pennies per hour.*
- Green**
 The green alternative. No harmful particulates or emissions and 100% efficient.
- Instant Ambiance**
 Plugs into any standard household outlet.
