MEETING CONSUMER DEMAND

Updated design and technology to fulfill consumer desire for more innovation and realism

ENHANCED FLAME PATTERN

A new pattern with fuller and higher flames for a more realistic and visually appealing experience

NEW COLOR COMBINATIONS

Now you can choose from 10 presets for the flame and ember bed simultaneously using the remote plus RGB cycle mode to stop on your favourite shade

DEEPER APPEARANCE

Rear panel provides reflections of the media and flame creating the illusion of deeper depth

EASY TO INSTALL

Wall mount or recessed linear electric design for versatile placement in any home

MORE VALUE

Budget-friendly fireplace solution ideal for both renters and homeowners

CONTROL AT YOUR FINGERTIPS

More color choices for flames and ember beds than competition with new remote
