**Live Updates:** See the settings of the fireplace change in real time on the App home screen, whether or not you're in the same room

**Favorites:** Choose from your saved favorites to set the mood for every occasion or choose from curated suggested selections

**Timer:** Set timers from 30m to 8hr plus have the ability to set a specific schedule for each day of the week

**Ember Bed:** Control the ember bed brightness, turn the pulse setting on/off and select the color choosing from unlimited options, including Autocycle

**Lights:** Control the brightness

**Heat Control:** Set the heat option to Off, Fan only, Low, High or Thermostat.

## NEW INNOVATION: FLIP DOWN GLASS

### WHY SHOULD YOU CARE?

This innovative feature allows for easy access to the interior for cleaning and maintenance, making it a breeze to service and maintain. Plus, this also offers a unique ability to add upsells with multiple media options, giving you the opportunity to increase margins.

### WHY WILL CONSUMERS CARE?

The flip down glass allows homeowners to add or change their own media easily so they can customize their fireplace to suit their changing tastes, whether it's incorporating seasonal or special occasion décor elements, or simply switching up the look.

# Installation Considerations

- Does not require venting making it ideal in spaces where gas or wood is not possible
- Easy to connect and install with less installers required
- Flip down glass on hinge makes it easy for media change outs and cleaning/servicing
- Included adjustable trim can accommodate different finishing materials, from dry wall, tile to stone
- Flexibility between 120V and 240V options
- 5 Year Registered Warranty
