Experience Better Living.

Key Benefits

Lifelike Flames

Optimyst® creates a captivating fireside ambiance using innovative water vapor technology that imitates true flames – with minimal maintenance.

Portable Flexibility

Enjoy flexible installation anywhere—no venting, hardwiring, or renovations required. Just plug it in and place it, making it ideal for condos, rentals, or room makeovers.

Style with a Statement

With its matte black finish, cast iron accents, and hand-finished log set with storage, this fireplace adds style to any space. Enjoy with or without heat, perfect for creating a cozy vibe year-round.

Optimyst Flame Effect

Generates the most life-like flames through revolutionary water vapor technology.

Water Refill Tank

Features an easy water refill tank for up to 6 hours of continuous operation.

Cool-Touch Glass

Enjoy realistic flames without the risk. Flames and glass stay cool to the touch for safe enjoyment.

Premium Design

Cast iron door, front, and top panel with included log set for authentic look.

Crackling Sound Effects

Enjoy a more complete sensory experience with the sound of natural wood fire.

Sight and Sound Remote

Control the flames, heat and sounds with the touch of a button.

Featuring **Optimyst®** technology.

The world's most realistic 3D electric flame effect, patented by Dimplex. This unique flame effect is generated by an innovative combination of water vapor and light.
